SCHOOL VOLUNTARY CONTRIBUTIONS 2026

We believe it is in the best interest of our students if all parents make a contribution towards learning programs. These funds are used to enrich the opportunities available to all students.

Kindergarten – Year 6

1 child	\$60.00
2 or more children	\$120.00

The Woodbridge Primary School Board has approved the schedule of voluntary contributions. The contributions parents and carers are being asked to pay has been contained within the maximum set by the Government. *While the contributions are voluntary, this annual payment from parents goes towards the cost of online educational programs, equipment and materials used by K-6 students. Financial support provided by parents has always played an imperative role in the provision of resources that extend the school's capacity to add value to students' learning experience. The quality of our teaching and learning program are maximised when each family makes their contribution. Payments collected will be used to supplement funding gained from other sources, including the State and Commonwealth Governments.*

Payment would be appreciated before the end of Term 1. Regular payment options are available. Please see our Manager Corporate Services if you would like to take advantage of this facility.

Your contribution can also be paid when you order your personal use requirements from Campion.

ITEMS FOR PERSONAL USE (REQUIREMENTS / BOOK LISTS)

There are a list of items that each student will need to have in his / her possession each day of school in order to maximise participation in the learning opportunities provided. To make the purchasing task easier, bulk order facilities have been organised through Campion. Ordering details will be listed on the booklist. There is no obligation to use this company to purchase, but should parents wish to do so, materials selected and ordered will be available prior to the school year beginning. Further information regarding booklists may be obtained from our website:
